**About V-Day** V-Day is a global movement to end violence against women and girls that raises funds and awareness through benefit productions of Playwright/Founder Eve Ensler's award winning play *The Vagina Monologues* and other artistic works. In 2009, over 4200 V-Day benefit events took place produced by volunteer activists in the U.S. and around the world, educating millions of people about the reality of violence against women and girls. To date, the V-Day movement has raised over \$70 million and educated millions about the issue of violence against women and the efforts to end it, crafted international educational, media and PSA campaigns, launched the Karama program in the Middle East, reopened shelters, and funded over 11,000 community-based anti-violence programs and safe houses in Democratic Republic Of Congo, Haiti, Kenya, South Dakota, Egypt and Iraq. V-Day was named one of Worth magazine's "100 Best Charities" in 2001 and Marie Claire's "Top Ten Charities" in 2006. **The 'V' in V-Day stands for Victory, Valentine and Vagina.**
